Court now?

MR. WILLIAMS: I suspect that, based upon Mr. Ignatowski's last questions about whether or not friction products contained amosite and crocidolite, has probably opened the door to get in some questions that might have been, otherwise, the subject of one of your prior rulings.

THE COURT: The objection that I previously sustained will stay sustained.

MR. WILLIAMS: Your Honor, we will just offer the appropriate proffer at the appropriate time then.

No questions then.

THE COURT: Thank you. Dr. Hammar, you may be excused at this time.

(Whereupon, witness excused.)

THE COURT: Ladies and gentlemen, we will take our luncheon recess at this time. Return to the jury room at about 10 to 2 and we will begin at 2 o'clock.

Have a good lunch.
