

1 Q And I think, if my notes are correct, I
2 don't want to have to pull the screen down because I
3 can't do it very well, but if my notes are correct,
4 you wrote that note and that was handwritten,
5 correct?

6 A It was a handwritten note and a dictated
7 note.

8 Q The one we saw was handwritten?

9 A Right.

10 Q It indicated it was written at about 8 p.m.
11 on January 9th?

12 A Right.

13 Q I think the words started out with words to
14 the effect of a 71-year-old black male and went on to
15 say with extensive past asbestos exposure, correct?

16 A Yes.

17 Q Now, the phrase, "with extensive past
18 asbestos exposure" that would have been your
19 characterization; is that correct?

20 A That would have been a characterization
21 based upon the three pieces of information, the three
