MESSAGE

Don, after mailing you the list of warehouse stocks 2/29, we received papers from Sunset Storage, Spokane, indicating that on 2/28 they shipped 4 - 54 gal. drums Pydraul 150 to Alcoa. Also, Rudie Wilhelm, Portland, shipped a drum Pyranol A13B3B on 2/29 to Georgia-Pacific Corp., Tissue Division, Bellingham, Washington. This will reduce on hand inventories and increase sales on these two items, accordingly.

Don, I have a question. When the terms on Pydraul are changed to net 30 days April 1, how about Alcoa who have contracts?
