time --

MR. McGOWAN: We will skip that.

Q My question was, you didn't have any reason to form any opinions regarding asbestos-containing products during that time period?

A No.

Q In the 1950s you were in New York working with the textile group?

A Right.

Q Did you do any research at that time on asbestos?

A None at all. Never got involved with it.

Q You didn't do any research on asbestos-containing products at that time?

A No.

Q Did you work with asbestos-containing products at that time?

A No.

Q When did you first learn that Kaylo contained asbestos?

A Never had anything really to do with
