

1 Q And what was the duties of the driver
2 mechanic?

3 A The basic duty of the driver mechanic was to
4 just drive the truck to haul the mail.

5 I don't know why they had the mechanic
6 title.

7 Q Because you didn't do any mechanic work?

8 A No, you didn't do that much. You just had
9 to get the truck off the road or do something like
10 that.

11 Q When you and Mr. Wood became the driver
12 mechanic in 1952, did you ever have to return or go to
13 the Preston Street garage?

14 A Every day.

15 Q And why would you -- what would you do in
16 terms of going every day?

17 A You had to go to the Preston Street garage
18 to pick up your keys, pick up your pistol, and to pick
19 up the truck.

20 Q And then you would continue on your route?

21 A Each driver had a particular route he worked
