Good morning, Leila;

Would you be able to tell me what hotel Secretary Zinke will be staying in for the Williston Basin Petroleum Conference?

The North Dakota Petroleum Council has something special for him and we would like to take it to the hotel before he arrives.

Let me know if he is able to accept a gift basket from us.

Much appreciated!

That's my fault, this was supposed to be a save the date notice for keynote speakers, the Secretary's name really didn't need to be on it. The Governor, Secretary and I discussed the dinner a few weeks ago in Grand Forks and he said it was a go but I know how that works. My apologies, the good news is the invite only went to a handful of the keynote speakers. We will send a retraction removing his name asap.

Hi Kay and Ron! I'm seeing this invite for the first time. Anything with the Secretary's name needs to be approved by our office in advance. In addition, we always ask that the Secretary's name not be announced publicly until a couple weeks before an event for security reasons. And most importantly, he has a conflict so I'm not sure he's able to participate. Please retract this invite until we're able to speak. Thanks!
