Hi Ladies,

Not sure what your timeline is for folks to get proposals to you but I was just visited by SBPA and learned that July 10th is too late to receive our input. ☹️ I will need to work with them to get this portion of the FY2019 Agency request approved by the Chief's office by tomorrow in order for SPBA to get NRE approval by July 10th. So please submit your proposals to me as soon as you can—by midday tomorrow if at all possible. I will be in a deputy chief's office retreat from Noon to 4 tomorrow, but can be available by email or text so please let me know how I can help.

Thanks,

Andria Weeks

Hi all- here is the reform plan template again and this is due to ANDRIA WEEKS by July 10. Also note the instructions refer to the updated draft USDA strategic plan objectives. I have attached that draft here as well.
