

Abex was a member of the following trade associations: Asbestos Information Association of North America (1975 to 1980); the Brake Lining Manufacturing Association (from an unknown period to 1949); the Air Pollution Control Association; the Manufacturers Alliance for Productivity and Innovation (formerly, the Machine and Allied Products Institute); and the Friction Materials Standards Institute, Inc. (1949 to 1994). Furthermore, based upon information and belief, Abex was a member of the Air Hygiene Foundation of America, Inc. (which later became the Industrial Hygiene Foundation) (1937 to 1961) and the American Industrial Hygiene Association, although such membership is neither confirmed nor corroborated by the records maintained by or in the possession of Abex. In addition, Abex received various copies of The Industrial Hygiene Digest on unknown dates.
