

1 involved in knowing what some of the other
2 herbicides were, cacodylic acid, tordon 101.
3 They're the ones that I recall, but only as that
4 they were alternatives that might fill the bill.

5 Q. When you heard the term dioxin in 1968,
6 what was your understanding as to what dioxin was?

7 A. Well, my understanding was that dioxin was an
8 impurity in parts per million in herbicide Orange
9 and it was a very toxic material.

10 Q. Now that you've told us what your
11 understanding was of dioxin in 1968, does that in
12 any way refresh your recollection as to how that
13 term came to your attention?

14 A. No, sir.

15 Q. Do you recall if that term was mentioned
16 to you in conversation or did you see it in some
17 writing?

18 A. I do not know. I can't tell you.

19 Q. Do you recall if you discussed dioxin in
20 1968 with anybody else at Edgewood Arsenal?

21 A. Well, I'm positive the first time that I heard
22 of it it was discussed with somebody else.

23 Q. At Edgewood Arsenal?

24 A. Yes, sir, but in what context and specifically
25 what the issue was at that time I don't know.
