[redacted] DRAFT

Letter to be written to Mr. Herman Goldberg, Recording Secretary of Brotherhood of Painters, Decorators and Paperhangers of America.

I have taken up with Mr. Walter V. Price, Director of the Labor Relations Division of the United States Housing Authority, the questions raised in your letter of November 16.

Mr. Price informs me that, although the work on the low rent housing projects in New York City is to be done under the Civil Service regulations of the City of New York, he will have a representative of his Division consult with you in the very near future and attempt to assist you in reaching a satisfactory adjustment of your complaint. Mr. Dominic S. Flynn is now in New York and Mr. Price will, I understand, request him to make a thorough investigation of all the circumstances surrounding the repainting of the Williamsburg project.

I hope that you and Mr. Flynn can work out with the New York City Housing Authority a satisfactory adjustment of your problem.

My dear Mr. Straus:

I am taking the liberty of enclosing a letter addressed to Senator Wagner by the Brotherhood of Painters, Decorators and Paperhangers of America in regard to the Williamsburgh Project.

Would you be good enough to have drafted a reply suitable for Senator Wagner to send the Brotherhood and at the same time return the enclosure?

Very sincerely yours,

Philip Levy
