Hi Hayley,  
We totally understand.

We would love to visit with the Administrator when he is out in California next. Whenever he can make it out here we will be sure to receive him warmly.

Hello Seth,

We have just learned that Administrator Pruitt is needed to travel with the President on Tuesday to Puerto Rico. I am so sorry to do this, but he likely will not return in time for this event, and we will have to cancel. Details are still being finalized so we're not positive on the time that he will return, but I imagine it will be beyond the end time of your reception. As I mentioned below, he is also taking an early flight out of town on Wednesday morning.

I know this was already a rescheduled event, but we are committed to getting him in front of your group and will gladly try to coordinate something in the future. Please let me know if you have any other trips planned to DC and we will try to work a rescheduled trip to California into the schedule.

Please send the group our apologies. Thank you and we appreciate your understanding.

Would 7:20 be OK? I think we will start the event at 7:30 to give people time to arrive and get their drinks/food.

You made my morning!

Please see attached:

Let me know if you have any questions. We will work the agenda to allow for the Administrator to speak first.

I think we can make that work! Can you send me details for the reception and if you'd like him to address the group, the length, topic, etc.? If it's not too much trouble, you could just amend the original form you sent with this date/location and then we'll have that on file.

Thank you Seth and we look forward to this!

Hi Haley,

We are having a reception at the Willard Hotel on Tuesday, Oct. 3rd at 7PM. We would love for him to join us.

Let me know if that is a possibility.

Seth,

When will your group be flying in? He is leaving early on the 4th to go out of town and will be out the rest of that week. The dates in your original email stated 4th-6th but you said Tues-Thurs (which conflicts) but we could do something Tuesday if you'll be here with enough time.

Let me know if that could be arranged. Thank you!

Haley,

As a follow up, we had previously been discussing the possibility of a lunch at the Trump Hotel on Oct. 6th. However, like stated on the form we have a relatively open schedule. We have secured open spaces when we are scheduling meetings. I will include them below for your benefit:

**Oct. 4th**

Open 12-2pm @ the Cosmos Club

**Oct. 5th**

Open 8-10:30AM @ the W Hotel

Open 12-3PM @ The Capitol Hill Club

**Oct. 6th**

Open 12-3PM @ the Trump Hotel

Open 6-8PM @ the Willard Hotel

If he is unable to make any of the above time slots we can move our schedule around to make something work.

Thank you!

Hi Haley,

I filled it out as you instructed (to the best of my ability).

Please let me know if you have any questions.

One of the questions was the Honorable's attending... We have several, most are local and state officials in CA. Let me know if you need that info and I will be happy to send. They would not fit on the form.

Hello John,

I wanted to follow up with your below request  
and I apologize that it has taken some time for  
us to get back to you. I will be taking over the  
scheduling for this request moving forward.  
Could you please complete the attached  
speaking request form for this event with as  
much information as you can provide? Since  
you are flexible on the meeting, some of the  
information might not apply and so feel free to  
indicate that. We will then look at the  
schedule and try to make it work.

I look forward to hearing from you and hope to  
make this meeting happen!

Hi, Tate,

Everyone was so disappointed that Administrator Pruitt had to cancel his trip to CA this week. We do wish him a speedy recovery from his knee surgery. I know what that's like.

I wanted to make you aware that approximately 100 members of the four California Lincoln Clubs will be together in Washington DC, October 4, 5,6 for our biennial trip.

During this trip we schedule pretty much nonstop meetings and meal events with many of our most important government officials.

On behalf of the Lincoln Clubs of CA, I would like to extend a formal invitation to Scott to address the group, preferably at a meal time, breakfast, lunch or dinner. But we could easily schedule something anytime of day.

Again, we will be in DC all day Oct 4,5,6. (Tues, Wed, Thurs).

We hope Administrator Pruitt will have the time to visit with us.

Best Regards,

John Warner
