use "Fifteen-for-Floors" Varnish
Decoret Varnish Stains
Fuller Floor Wax

EASY to apply, quick to dry, "*Fifteen-for-Floors*" Varnish will bring to old or new floors that lustrous *transparent* finish so much admired.

Decoret Varnish Stains—made of the same quality floor varnish tinted to produce natural wood color effects—will give to age-stained, scratched and marred wood floors a beautiful *glassy finish* in oak, mahogany, walnut or any one of the popular wood colors.

Both "Fifteen-for-Floors" and Decoret dry over night, with a tough, elastic film that does not break or crack under the tramping and scuffing of many feet—that resists the action of water and other liquids.

If your floors are prepared for waxing *Fuller Floor Wax* will give them that rich, satiny effect. An occasional application will keep them new—indefinitely.

Our new book "INSIDE PAINTING" will tell you just the proper or methods to use—how to use it. Tear out this advertisement, write your name and address on the margin, send it to us, and you will receive a copy FREE, BY RETURN MAIL.
