My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Wednesday, May 10th. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Thank you, Komal! So there is no availability on the 10th? We are, crazily enough, traveling the days that you suggested but are in the office for meetings on the 10th.

Thanks!

Sydney,

I apologize that it has taken a bit of time to return the attached meeting request form. Coordination among the attendees and finding available dates to propose to you and Administrator Pruitt was a little tricky. We are suggesting May 9, May 11 or May 12 (times specified in the form). If Administrator Pruitt is not free during those times, please let me know as soon as possible, and we will revisit calendars.

Thanks again.

Best,

Komal
