Mr. Fredrick S. Myers
Assistant General Counsel
Goodyear Tire and Rubber Company

Dear Mr. Myers:

Goodyear and Monsanto agreed by telex today to a three month extension of the period in which purchases may be made under the "Special Undertaking by Purchasers of Polychlorinated Biphenyls" dated February 8, 1972.

Attached are two copies of an "Amendment to Special Undertaking by Purchasers of Polychlorinated Biphenyls" which sets forth the agreement reached by telex. Both copies of the amendment have been signed on behalf of Monsanto by C. P. Cunningham, Vice President. Will you please have both copies signed on behalf of Goodyear by Mr. V. L. Petersen (or another Vice President, or the President) and return a fully signed copy to me.

Your cooperation in this matter is greatly appreciated.

Yours very truly,

Phocion S. Park
