Dear Dick:

Subject: Asbestosis

Since we did have a meeting on this subject, I thought you would be interested in the enclosed questionnaire which has been sent to all asbestos workers in the Richmond, Virginia area by Local 88. I don't know that the questionnaire in any way assists us in resolving our problems, but it does attest to the extreme interest in this subject by the union. Undoubtedly, additional claims will result from the questionnaire and this may cause employers of asbestos workers to appreciate the seriousness of the problem which confronts them and do something about it.

Sincerely yours,

Wallace B. Hofferth
