July 25, 1908.

Mr. Warren P. Holden,
C/o W. P. Fuller & Co.,
San Francisco, Cal.

My Dear Warren:

Enclosed I hand you New Jersey Zinc Co's letter of July 23rd. Melvin seems to be a bull on the business situation, and expects all paint grinders to do a very large business this Fall. Shall I inform him that you are unlikely to need any more XX Zinc this year?

Yours very truly,

C. B. Alexander

Please return enclosure.
