RECEIVED
NOT FOR THE FILES

Dear Dr. Selikoff:

I'm sorry I haven't contacted you sooner, but I had the misfortune to have contracted pneumonia the very evening of the enzyme conference and have only just recovered.

The conference, in my opinion, was extremely useful, and, by the way, the first of its kind in scope. Your evaluation of it was very balanced and thoughtful. I'm giving serious thought to our own follow-up in the plants. In fact, I'd like to talk with you about this at an early date.

Since I've been ill, and my secretary is on vacation, I didn't catch up to my mail until this past Monday. I'm forwarding the bill for \$500 to our Denver headquarters for payment to the New York Academy of Sciences.

Please tell Admiral Schanze that he will receive payment very soon.

I hope that we can get together soon to fully discuss next steps on the enzyme problem.

Sincerely yours,

Anthony Mazzocchi
