working on this site?

A A couple hundred.

Q Do you know individually by trade how many people were there?

A I would be just guessing.

Q What is the largest number of pipefitters you can remember working around on this job?

A They have about 10 or 15 or 20 working in the boiler room, about 20 in the church, maybe 20 in the residences.

Q How about plumbers?

A About the same, maybe a little bit less.

Q You don't know the names of any of these other tradesmen that work on this jobsite, do you?

A No.

Q Do you remember how many pipecoverers Wallace & Gale had on this job?

A I would say 60.

Q Who was it on the job that directed you to use the various types of or the various products that you used?
