Good afternoon,

I work for Commissioner Toby Baker at the Texas Commission on Environmental Quality. We are a state agency that strives to protect our state's public health and natural resources consistent with sustainable economic development. Our goal is clean air, clean water, and the safe management of waste. We understand that Mr. Pruitt and Mr. Baker will both be at the TXOGA dinner event on Thursday, October 19th. After speaking with Mr. Ken Wagner yesterday when he joined us for lunch; we thought it might be possible for Mr. Baker and Mr. Pruitt to talk at this event. Can you let us know if Mr. Pruitt will have time before or after the dinner to talk to Commissioner Baker? Or if, October 20<sup>th</sup>, the following morning for breakfast or early lunch would work for him, we can make that work as well.

Thank you,

Dennise
