Gentlemen:-

Attached hereto please find
copy of a letter dated July 10th and written by Mr. Pickett
of the Beech-Nut Packing Company to Mr. F. Thammann of the
University of Cincinnati. This letter is in regard to
centrifuging experiments.

Yours very truly

CHICLE DEVELOPMENT COMPANY

July 10, 1936

Mr. Frederick Thammann
College of Medicine
University of Cincinnati
Cincinnati, Ohio

Dear Mr. Thammann:

We have sent you duplicate samples of twelve runs of 125 pounds each, original samples of which we sent you June 30. We, also, sent you on July 7 samples of four more runs of 250 pounds each. These four samples are from the same blend as the original and duplicate twelve.

The specific blend from which these samples were obtained is used up so we cannot provide any more.

This blend contained --

- 1 part Santa Maria chicle
- 2 parts Laguna, from 2 different lots
- 2 parts Campeche, from 2 different lots
- 2 parts Guatemala, from 2 different lots
- 1 part Santa Cruz

Yours very truly,
BEECH-NUT PACKING COMPANY
