More Than a Thousand Ways To Prevent Accidents

All of the 99 General Safe Practices Pamphlets issued by the National Safety Council are available in one neatly bound loose-leaf soft leatherette volume. They constitute an encyclopedia of safety covering operating practices [illegible] all leading branches of industry.

Here are twenty years of rich, costly experience [illegible] can find the answer to practically all of your accident problems with a minimum of time and effort. Regardless of what your accident prevention problems may be, the good chances [illegible] will find the answer in the proper place.

Every purchaser receives, without further cost, [illegible] completely revised or new pamphlet as it comes [illegible]. In addition, members purchasing a complete set of [illegible] Safe Practices Pamphlets may select pamphlets from the Special Industries series to be included with the general set at no additional cost!

A real bargain for the alert safety man who insists on APPROVED practices. Profusely illustrated. The investment is only $12.00 f.o.b. Chicago to members for the set of General Safe Practices Pamphlets and $6.00 for the set of Health Practices Pamphlets.

ALL-RUBBER HEADBANDS
(Unsinkable)

176 Johnson St., Brooklyn, N. Y.
[illegible]

The FIRST REAL HEADBAND IMPROVEMENT in 25 YEARS

[illegible] an improvement [illegible] richly rewarded the waiting.

THIS Drednaut Non-Rubber Headband simply busts Old Man Trouble and all his train. At one stroke a banishes all the grief that headbands have been heir to.

No more "sloppy," once-elastic head-encirclers with a series of tucks in them. No more stringy memorials to the ravages of moisture and lubricants. No more ill-fitting, make-shift contraptions cordially despised by your men and by them consigned to limbo long before their time. Once adjusted, the Drednaut Non-Rubber Headband stays adjusted. It can't be injured by over-extension. It does not stretch or sag. It is oblivious to the threats of oil, grease, perspiration and water. It gives you uniform tension, perfect fit, lifetime service.

Super-Drednaut Goggles have [illegible] lenses; extra well ventilated, shallow cups affording maximum vision; a self-adjusting nose bridge; frames made of a molded material which is fire[illegible], waterproof, light in weight and of great tensile strength. They are unconditionally guaranteed against breakage in service and will be replaced or repaired free.

Combined with Super-Drednaut Goggles [illegible] Non-Rubber Headband offers you what we [illegible] believe to be the most comfortable, enduring and all-around satisfactory [illegible] protection on the market today. [illegible] examine [illegible] Drednaut [illegible]
