Do you recall approximately when you first met Mr. Vandergucht?

A I first met Mr. Vandergucht in September of 1980. He was referred from Dr. Wilbur Foard.

Q What type of practice does Dr. Wilbur Foard have?

A He is a primary physician up in Manchester, Maryland.

Q Is Manchester up there in Carroll County?

A It is.

Q Now, during the treatment of Mr. Vandergucht, did you have an opportunity to generate your own medical files on what you did with Mr. Vandergucht?

A I did.

Q In addition to that, did you have an occasion to consult with other physicians who were assisting you in treating Mr. Vandergucht?

A I did.

Q And during the course of consulting with those other physicians, did you have an occasion to
