Dear John:

RE: Firestone Syn. Latex plant - Lake Charles, La.
Texas Talc #4408

As per our telephone conversation of last week I have informed Mr. Harmon that we will keep 200 bags of 4408 in our Houston warehouse as an emergency back-up for him. He agreed to move this several times per year to keep the stock active.

Will you please send me pricing for 4408 for these 200 bag shipments.

Also, have you written Mr. Zaruba at Uvalde yet? He does need some reassuring from you regarding 2619 color.

Merry Christmas
