Soccer: St. Louis Tops Poll

NEW YORK (AP) — St. Louis University, unbeaten in eight games, is a unanimous choice as the top team in the weekly ranking, announced Tuesday, of the Intercollegiate Soccer Football Association of America.

UCLA, Penn, Harvard, Cornell, Quincy, San Jose State, Hartwick, Navy and Army completed the top 10 in that order.

By Don Davidson

Three weeks ago at Monterey Lanes, Allen (Al) Howard rolled a 234 game and a 639 series to cop highs of the week — and Bowler of the Week.

The 6 foot, 260-pound Castroville oil dealer was born in San Francisco 34 years ago but his family moved to the Monterey Peninsula a year later.

Howard held a Herald newspaper route while living in New Monterey. Since then, the Monterey High graduate has moved to Marina with his wife and two sons, Steve and Ronnie.

Al started league bowling at the now defunct Rancho Bowl of Pacific Grove in 1957.

He later competed in the Civil Service League at Monterey Lanes. Now, he is averaging 170 (six pins better than last year) in the Tuesday night Monterey City Men's League.

In the 1962 Monterey City Men's Bowling Tournament, Al was ninth in singles and sixth in doubles (with partner Ron Barber).

During the past summer session at Monterey Lanes, Howard took high series and most improved honors for the Guys and Dolls League. His all-time highs for seven years of bowling are a 248 game and a 655 series.

Howard finds some time to bowl for Blue Chip Stamps with his two brothers, Butch and Larry.

As for other sports, Al has been a softball pitcher since his "teen" days. He continued pitching in the U.S. Marine Corps and now throws for Al's Union 76 Pacific Grove (A) Softball League.

However, the former golfer and recreation league basketball player has been hathered with a knee injury and may "hang it up" as a softball pitcher.

He'll keep "on the ball" as a Little League coach or manager now that his son, Steve, will become a full time catcher this season.

Reserved entry in the National Men's Bowling Tournament Feb. 26 to April 30 closes Nov. 3; final closing date is Jan. 26. The California State Men's Bowling Tournament will be in Bakersfield, while the State Women's event will be in San Jose; both events are scheduled in May.

The Fort Ord Red Johns still lead the Kings and Queens Mixed Tournament Bowling Tournament at Monterey Lanes; local eliminations end Sunday, with one of every eight teams entered making the final rolloffs.

There's still time to join the 180 or under average club; contact Frank Viterie.

Alfas Set for Laguna Seca

A pair of twin Alfa Romeos slow down coming into a hairpin turn during recent 2.5 liter Trans-American Sedan Championship action. Alfa and Datsun will be battling for the manufacturers' championship Saturday on the 1.9-mile Laguna Seca asphalt. Tickets are on sale at all area agencies.

PARAMUS, N.J. (AP) — Dave Soutar of Gilroy, a veteran who won this tournament ten years ago, zoomed into first place Tuesday night as round two was completed in the $85,000 National Championship of the Professional Bowlers Association.

The tall right-hander, who has captured 12 PBA titles—seven in the last 15 months—turned in an eight-game series of 1,802 as all 192 pros finished their second eight-game set. His games over that span were 205, 219, 214, 234, 269, 224, 215 and 222, an average of 219 since play began Monday.

With a total of 3,598 points, Soutar jumped from seventh place into a lead of 33 pins over runnerup Earl Anthony, a two-time champion from Tacoma, Wash., and Ralph Engan, Brookfield, Conn. Anthony, who had a 1,713 block on opening day, followed with a 1,785 series and showed 3,476 as the bulky field prepared for today's final qualifying session.

Engan had a tremendous 1,868—on average of 233—to come from far down the list. Engan's games were 233, 258, 237, 236, 213, 234, 178 and 279.

Bob Strampe of Detroit, winner of the National in 1964, climbed into fourth place with a 1,773 effort and 3,445 pinfall, while Bobby Cooper, Hollston, held down fifth place after a 1,778 set gave him an aggregate of 3,432.

First place is worth $12,500.

Horses: Suffolk To Delay

SALEM, N.H. (AP) — Jim Edwards, president of Suffolk Downs, says that the Boston thoroughbred racing track will not be able to open in 1972 until March 1 because of commitments for four winter shows.

Edwards spoked persistent reports that Suffolk Downs would operate 150 consecutive days from Jan. 2 to July 15.

Hassle evolved over whether or not Mexico awarded the concession to operate Agua Caliente.

Sooners Sweep Statistics

NEW YORK (AP) — Oklahoma, which swept past Texas 48-27 last Saturday, swept into the lead in total offense, rushing and scoring in this week's major college football statistics while Washington continued to lead in passing.

The Sooners took over rushing honors from Cornell with an average ground gain of 427.8 yards, the highest ever by a major college at this point in the season, according to National Collegiate Sports Services statistics released Tuesday.

Cornell, with a per-game average of 356.3 yards, fell to third behind Alabama with 364.8. The Big Red, who held the lead in total offense with 517.5 yards per game last week, plunged to ninth this week with 423. The Sooners moved up from second with an average gain of 479.5 yards. Close behind are Arkansas with 476 And Arizona State with 471.3.

Oklahoma also edged Washington by a half point for scoring honors, averaging 5.14 points per game. Penn State is third with 39.5.

But the Huskies have a healthy lead in passing, averaging 280.6 yards in the air for five games, well ahead of Virginia Tech with 255.8 and Florida State with 237.

Pac-8 Football: Indian 'Thunder Chickens' Star

SAN FRANCISCO (AP) — Stanford's defense, which harassed Sonny Sixkiller of Washington into four interceptions Saturday, has taken a wide lead over other Pacific-8 teams in the latest statistics.

The Indians, led by their "Thunder Chicken" line, have allowed only 207 yards per game. The veteran defensive unit has yielded just two touchdowns in five games.

Southern California, Stanford's next opponent, is the Pac-8 leader in team offense, averaging 403 yards per game to runnerup Washington's 399.

Washington also is second in total defense, allowing 249 yards per game.

Last week's action produced several new individual leaders in the conference statistics.

Bernard Jackson of Washington State is the new scoring leader, with 36 points. He scored touchdowns last Saturday on a 100-yard kickoff return and a 66-yard run.

Bruce Barnes of UCLA took the punting lead, with an average of 42.1 yards per kick, and Stanford's Benny Barnes took the lead in interceptions as he picked off three Sixkiller passes to make his season total four.

Quarterback Don Bunce of Stanford is the total offense leader, with 229 yards per game. Sixkiller is second with 208 but still ranks first in passing, with 226. Bunce has averaged 210 yards per game passing.

Bobby Moore of Oregon tops the rushers, with 141 yards per game, 29 more than second place Jackson.

Stanford's defense has been best against rushing, allowing 96 yards per game. UCLA has the best pass defense mark, 94 yards per game.

USC's rushing average of 251 yards is best in the Pac-8 and Washington leads in passing, with 280 yards.

Other individual leaders include Leland Glass of Oregon, with 26 pass receptions.

In camp reports:

Stanford middle linebacker Jeff Siemon may miss the USC game Saturday night in L.A. because of a knee injury two injured starters, linebacker Mike Simone and fullback Hillary Shoejley, worked out Monday.

Cal linebacker Bill Johnson sprained an ankle in the Oregon State game and may not play against Washington State Saturday in Spokane; also out is guard Neil Agnew (elbow).

Washington State listed as injured split end Bobby Redmond (hip pointer), fullback Ken Granberry (leg contusion), safety Harry Thompson (sprained foot) and running back Bernard Jackson (leg).

Oregon quarterback Dan Fouts wore a knee brace in practice and may face Washington Saturday; fullbacks Jim Anderson and Greg Herd alternated at tailback with Bobby Moore.

Oregon State Coach Dee Andros cited linebacker Steve Brown, halfback Dennis Draper and receivers Jeff Kolberg and Dave Schilling for play against Cal; Bill Carlquist or Bob McClary will handle kickoff returns for injured Ray Tarolt (ankle) against Arizona State Saturday at Portland.

UCLA expects four injured backs — Mary Kendricks, Ron Carver, Allan Ellis and Alan Lemmerman — to face Arizona at Tucson Saturday night; promoted to the first squad were three sophomores — left defensive end Cal Peterson, right linebacker Steve Kelly and safety Jim Bright.

USC listed running back Lou Harris, center Dave Brown and middle linebacker Charles Anthony as injured and unlikely to face Stanford; Willie Hall will move over from strong side linebacker to middle linebacker.

Washington rested halfback Luther Slight, split end Tom Scott and defensive end Kurt Matter (sore shoulder) from drills.

REDWOOD CITY (AP) — Tight end Ted Kwalick and defensive end Cedrick Hardman took part in Tuesday's San Francisco 49ers practice and probably will be ready to start Sunday against Chicago.

Kwalick, the 49ers leading pass catcher this season, bruised a knee in last weekend's 20-13 loss to Los Angeles and Hardman suffered a slight foot injury.

"I've been disappointed in several things," Coach Dick Nolan said Tuesday. "But we're still only half a game out of first place."

The 49ers, favored to win the Western Division of the National Football Conference, fell to 2-2 with the loss to the Rams, who took over first place.

Nolan said he anticipates no lineup changes this week.

San Francisco placekicker Bruce Gossett expressed unhappiness at his performance — two missed field goals from 39 and 48-yards.

He said he found that cleats he uses on Candlestick Park's artificial turf are shorter than those used for regular turf, so he doesn't stand quite as high.

"Consequently I have to aim at the middle of the ball," he said.

NHL: Canucks, Blues Score First Victories

By The Associated Press

The Vancouver Canucks and the St. Louis Blues cracked the win column Tuesday night for the first time in the young National Hockey League season.

The Canucks, beaten in their first two games, shaded the Philadelphia Flyers 3-2. The Blues whacked the Buffalo Sabres 4-1 to even their record in the new season at 1-1.

Andre Boudrias banged home two goals in the second period to lead the Canucks to their victory over the Flyers before 15,570 fans on home ice.

Chris Brodeleau assisted on three goals for the Blues to delight a turnout of 17,383 at St. Louis. Brodeleau had a hand in the goals tallied by Gary Sabourin, Noel Picard and Bill Sutherland. Richard Martin got the Buffalo goal for a 1-1 tie early in the game before the Blues pulled away.

No other NHL games were scheduled Tuesday night.

Chicago Black Hawks assigned forward Dan Maloney and defenseman Rick Foley to Dallas of the Central Hockey League.

Swimming: Name Sherm U.S. Coach

SACRAMENTO (AP) — Sherm Chavoor of the Arden Hills Swim Club near here will coach the U.S. women's team in the 1972 Olympics.

The veteran coach confirmed reports Tuesday that he will be the Olympic coach, and he said Peter Daland of the University of Southern California will coach the American men swimmers.

Chavoor's best known pupil is Debbie Meyer, who won three individual gold medals in the 1968 Olympics. Olympians Mark Spitz and Mike Burton trained under Chavoor this summer.

Chavoor's assistant with the Olympic team will be George Haines of the Santa Clara Swim Club.
