Hi Sydney, I received your contact information from my colleagues at American Farm Bureau Federation and left you a voicemail. I am following up with an email in hopes you can help me with the best email address to reach Administrator Pruitt, so we can send him a letter from Michigan Farm Bureau and the Michigan Chamber of Commerce. The letter regards EPA's review of Michigan's delegated authority for managing Part 404 of the Clean Water Act. Administrator Pruitt has met with staff from our state's Department of Environmental Quality, who have alerted him to the concern Michigan agencies and organizations have with the EPA's review, and he has asked for those concerns to be sent to him.

Could you let me know which email Administrator Pruitt would prefer for us to reach him with this letter? Thank you for your help! Please feel free to contact me with any questions.
