SHERWIN-WILLIAMS

PRICE LIST

No. 64

EFFECTIVE JUNE 1, 1922

Prices Subject to Change Without Notice

TERMS

On Paints, Varnishes and ODP Lead—sixty days net; 2% for cash within ten days from date of invoice.

On Turpentine, Linseed Oil, Dry Colors, Insecticide Material, and goods not of our own manufacture—thirty days net; 1% for cash within ten days from date of invoice.

IMPORTANT

Shortages or errors in billing must be reported within ten days from receipt of shipment to secure proper adjustment.

In making all shipments our responsibility ceases when we receive a signed bill of lading from the transportation company. Claims for losses and damage in transit must be filed with the transportation company by our customers. If shipments are received in a damaged condition, or short in the number of packages, be sure to have the freight agent make such notation on the paid expense bill. This will enable you to file and collect claim without affidavit.

SHERWIN-WILLIAMS PRODUCTS

SHERWIN-WILLIAMS ODP WHITE LEAD

A strictly pure white lead manufactured on the Old Dutch Process of corrosion. It is ground in strictly pure refined linseed oil and is actually finer in texture than any other white lead on the market. ODP White Lead is soft in the package and easy to work up, yet it preserves a covering capacity and a wearing consistency which is unexcelled. ODP White Lead is of the same high quality that is found in every other Sherwin-Williams product, whether it be a paint, varnish, stain or enamel.

ODP White Lead is put up in strong steel kegs that keep out the moisture and air and do not absorb the oil, hence the lead is always fresh and in as good condition as when it left the mill. When empty, the steel packages are easily cleaned and may be put to many different uses in the paint shop or around the house.

This guarantee appears on every package:

This package is warranted to contain nothing but Strictly Pure White Lead, ground in Strictly Pure Linseed Oil, and we will pay one ounce of gold for every ounce of adulteration that it may be found to contain.

	per pound
300 and 500-pound casks.....	
100-pound steel kegs.....	
25 and 50-pound steel kegs.....	
12 1/2-pound steel kegs.....	
1 and 5-pound tins.....	

(See Special Price Card, Form E-356)
