Thank you for everything, Samantha. I believe the VI team would prefer an afternoon time but will happily take a morning time if that is what your availability provides.

With appreciation, AJF

Thanks for the reply, Samantha.

The executive committee from the Vinyl Institute would like to meet with you on the 16th at your office. It would be a brief 20-30 minute discussion about their issues and where you see the agency moving both broadly and narrowly related to their concerns.

If Nancy could come on the 17th to speak to the full fly-in that would be wonderful. I understand several folks know her and she would be a welcome addition to the day.

Please let me know a time on the 16th they should come over and let me know Nancy's availability on the 17th.

Thank you for the response,

AJ,

I apologize for the late e-mail. I checked in with Nancy as to her availability and I haven't heard back. Unfortunately, I won't be available to accommodate meetings on both the 16th and the 17th due to other demands on my schedule, but I am happy to meet with your members on one of those days.

Can you run through again what it is you'd like to discuss? I'm not sure I have 30 minutes of remarks to give but I can certainly stop in and give more or less the same talk I did and answer questions like the last meeting we had.

I will check in with Nancy again today and see if she can meet on the 16th or 17th and we can split up.

Best,

Samantha

Samantha:

I just wanted to send a note to firm up the fly-in dates/times for the Vinyl Institute.

On May 16, the Executive Committee for VI would come to you for a brief discussion of issues with you. Please let me know what time would work for you. I believe that they plan to have 10 people in attendance if my memory is correct. Once confirmed I will send you a list of names.

On May 17, the full fly-in attendance looks forward to hosting you from 3:15-3:45 at the Marriott Metro Center.

Please let me know if we can confirm times for each of these, and if Nancy plans to attend either or both of them.

Thank you very much, A.J. Ferate
