Subject: AWWA Membership Dues

Gentlemen:

We have received an invoice for the 1984 AWWA Membership of CAPCO Pipe Company, Inc. and find that we have not been properly accessed. Our sales to the Water Works Industry properly place us in member grade 60 rather than 61 as indicated on the invoice.

We would also like to advise, that due to economic conditions, CAPCO will be unable to contribute to the AWWA Research Foundation in 1984.

Very truly yours,

I L Taylor
