1. Fire Marshal Report:
   a. The sprinkler systems were opened and flushed
   b. George Coneys supervised the burning of CERAMIC-board at the PC dump area.

2. The PPG Industries Disabling Injury Report for February, prepared by H. Clark Underwood, Manager of Safety and Plant Protection, was reviewed.

3 [illegible] Injury Report for March:

	Eyes	Others	Total
First Aid Cases	9	28	37
Doctor Cases	1	8	9
Lost Time Cases	0	0	0
	10	36	46

4. Glenn Klein, chairman of the Foreman-Union Safety Committee reported on the plant tour for March 27th. Clifford Lane and James Harrison were the Union Representatives.

5. Dustfoe "77" - a new type respirator was successfully tested by an employee in Plant #8 under the guidance of Foreman B. F. Ryan.

   A Dustfoe "77" respirator was ordered for every employee in Plant #8.

6. Soft leather wrist cuffs were issued to an employee packing UNIBESTOS® who had cut his forearms on the hard sharp edges. The employee was happy to wear this extra protection.

   We thank Louis D. Panchot, Jr., Safety Director at Works #14, for supplying these wrist cuffs at cost.

7. We reviewed an article dealing with falls in the April issue of the Safety Newsletter for the Glass & Ceramics section.

8. H. J. Baker will attend the Glass Division Safety Conference at Works #14, Mt. Zion, Ill. on May 22, 23 and 24.

9. T. C. Burgason reported on Fog Nozzles for the hose houses - Factory Mutual agreed it was a good idea but also wanted the standard type nozzle left in each hose house.

10. The Safety Policy Committee wishes to express their appreciation of the good work done by the Foremen and Safety Committee on the monthly plant tours.
