Gentlemen:

This letter will act as our confirmation of Order No. 61262 for one carload of Owens-Corning Fiberglas materials to be shipped to us at 418 North Second Street, Milwaukee, Wisconsin; delivery via C.M.St.P&P Railroad. The car is to be a stop-over car, stopping off at Zimmermann's, 205 West Grand Avenue, Beloit, Wisconsin at the St. Paul Avenue Team Track, Beloit for partial unloading.

In the center of the car should be placed 15,000 square feet of 1" x 24" x 48" coated Fiberglas duct insulation, coated on one side. This is the material that will be unloaded first at Beloit.

The materials to be loaded first and placed in the ends of the car so that it comes out for us at the final destination, Milwaukee, Wisconsin, are as follows:

10 cartons of PF 615, 1-1/2" thick 5 cartons of PF 615, 1" thick
1800 ~~1200~~ sq. ft. 1-1/2" thick vaporseal duct insulation

The balance of the 25,000 board measure car should be made up of 1" thick vaporseal duct insulation.

Kindly acknowledge receipt of these instructions, and advise the car number upon shipment; thank you.

Very truly yours,
