Subject: Goods in Transit

In Mr. Stuart's absence your letter of August 31st was referred to me for reply.

All materials purchased before August 31st were received at such a date as to be included in our August 31st inventory.

There were no raw materials in transit at that time, with the exception of one car of Raw Linseed Oil, which was ordered on our requisition No. 1511 for shipment August 28th.

This car was ordered into this plant to lower the quantity of taxable oils held at Cleveland.

However, at this date we have received no notification of shipment and therefore do not know whether or not this car was in transit at the end of the month.
