Toxicity of MCS 1330
Lot #OR:19850-5

R. E. Hatton - B2SC
W. R. Richard - T3A
W. B Papageorge - B2NK
J. S. Metcalf - E1SF

L. R. Stark - W4A

The attached report from Younger Labs indicates that MCS 1330 is quite physiological inert as far as single or acute exposures are concerned.

Elmer P. Wheeler
