RE: LPSD Water Sample Analytical Results

Dear Mr. Cox:

Attached are copies of the analytical results for water samples taken on May 24 and April 19, 2000 from three LPSD wells.

The May 24 resampling of Well A was required due to breakage of the original sample container.

If you have any questions or need additional information, please contact me at 304-863-4271.

Sincerely,

R. L. Ritchey
Sr. Environmental Control Consultant
Washington Works
