SUBJECT: Asbestos Warning Labels
Ref: R. J. Hart's Letter of 8/8/86

Gentlemen:

As indicated in Mr. Hart's letter, a Hazard Warning Statement must appear on bags, containers, etc. which contain asbestos. However, since his letter, it has been determined that the statement ("Warning Statement per OSHA Requirment 29 CFR 1910.1001") does not have to appear on the label.

Attached is a sample label which, when placed on your packaging, will insure compliance with the regulations.

Very truly yours,

William P. Halpin
Traffic Manager
