June 20, 1956

Dr. Joseph F. Treon
The Kettering Laboratory
College of Medicine--Eden Avenue
University of Cincinnati
Cincinnati 19, Ohio

Dear Joe:

Our Sales Department has decided nothing will be lost if the Pydraul 150 studies are delayed until the end of July.

I will try to call you while at Kettering on Friday, June 22.

Sincerely,

Elmer P. Wheeler
Assistant Director
Medical Department
