Dear Mr. Midmayer:

I duly received your letter of July 22nd, and I read it to the members of the Quebec Asbestos Mining Association at a meeting held some days ago.

The members appreciated very much indeed the resolution adopted by the Asbestos Textile Institute, and I was instructed to write you expressing their thanks.

May I add my personal thanks for the sentiments expressed by your Institute, and to say that the Asbestos Producers are at all times ready and anxious to cooperate with you in any way which will further the interests of the asbestos industry, in which we all have a common stake.

With kind regards,

Yours sincerely,
