Hi Jeanette,

We could get together on 9/13 or 9/15. I am copying Jean and Cathy who manage my schedule. I look forward to seeing you!

Hi Scott,

I hope this note finds you doing well! I have locked in my travel schedule for next week. I will be in the DC area the morning of Wednesday, Sept 13 through the evening of Friday, September 15. Below are some chunks of time I have available currently; hopefully something runs in common with your schedule.

- Weds., 9/13 – after 2:30 pm
- Thurs., 9/14 – after 2:30 pm
- Fri., 9/15 – before 9 am or anytime between 2:30 – 4:30 pm

Do you have an EA you'd like me to work with?

Regards,
Jeanette

He's still very much interested in being in DC. He misses it. He gets to D.C. about once a month to network and getting involved with local politics to find a path to getting back.

My next trip down will most likely be the week before or after Labor Day. I'll let you know as soon as it's planned.

Good to hear from you, Jeanette.

Does Greg still think of coming to D.C.?

How old is your daughter now?

I would love to see you next time you are in DC.

Hi Scott!

So nice to hear from you! I hope you are settling into your role with
DOI nicely :)

I'm still with public sector working with
mostly Federal clients and have my first
commercial client. I still manage the NASA
OHCM BPA and my primary client for the
past 10 months has been NRCS (a
workforce analysis project).

I'm a bit harder for GT public sector to staff
these days due to the fact that I live in the
Philly area (hence the commercial client in
my portfolio).

I still get to D.C. here and there and would love to grab coffee on one of my next trips if your schedule permits. If I can ever help you with anything give a holler!

Warm regards,
Jeanette
