A

Extra bedrooms are at a
mium today as everyone k
Twenty or thirty years ago a
every family had a "spare r
but since those days, the
has been toward fewer room
smaller quarters all around.

However, in this age of d
duty, it is possible to mak
rooms out of one, and very e
too. Dual-purpose bedding i
one of its wide variety of
and constructions serves to
form a living room, den o
porch into a guest room
moment's notice.

Convertible sofas have
been greatly improved in s
as well as in comfort so that
can compete with the fines
ing-room furniture. In ad
to these, a regular mattres
