Subject: SSP comments on CERCLA reform related to financial assurance
Attachments: (93756961)_ (1)_ SSP Financial Assurance Reform Comments 9, 22, 17.PDF

Cyndy,

In follow-up to the discussion we had with you and your staff last month focused specifically on Financial Assurance, attached are more specific thoughts and suggestions that the Superfund Settlement Project would like to offer. We thank you for the several productive discussions we have had on this topic and look forward to working with you in the future on both this topic and the Superfund reform effort more generally.

Regards,

Ron
