Mr. Dean Challed - National Warehouse Manager

REVIEW OF DISCUSSION (ATTACH REPORT IF MORE SPACE NEEDED):
Reviewed Tremolite Situation - Customer uses Expanded #1 or #2 in the packaging of certain chemicals and drugs - Scientific Products is concerned about possible problems. Requests assistance in taking fiber counts in work areas to determine levels.

NEXT STEPS AND ACTION: Assist Scientific Products in taking fiber counts and give suggestions on procedures to minimize fibers in work areas - Will Cambridge provide assistance? Please advise -
