Silicon	
Solar Cell	7266
Grade 1	222,109
2	63,184
3	11,489

Note to C.B. Reeder:

As a result of terms indicated on attached announcement, credits were issued during April which applied to shipments during the first three months of 1958 in the following amounts:

A-1 - $32,640
A-2 $11,475

The above credits bring about the following average prices for the month of April A-1 $1.758/lb
A-2 $1.024/lb.

Without the credits the prices actually come out as follows:
A-1 $2.05
A-2 $1.85
