Re: OSHA Vinyl Chloride Standard

Dear Mr. Bunda:

In response to your letter of March 1, 1988, and following my March 21 conversation with John Siciliano, a copy of the decision in Secretary of Labor v. Hooker Chemical Company is enclosed. This was part of a submission we recently made to the Baton Rouge Office of the Occupational Safety and Health Administration (OSHA) concerning the need for placing a warning statement on bags of polyvinyl chloride (PVC) resin.

I trust the enclosures will satisfy your request and be helpful to the defense of the PVC producers. If you have any comments or questions or if I can be of any further assistance, please let me know.

Cordially yours,

Peter L. de la Cruz
