Projects CEA 1430 and 1452 are closely integrated and have been combined in design and construction for this reason.

Project Manual for these two projects will be combined in one volume with title:

CEA 1430 Aroclor Storage and Packaging

and

CEA 1452 Warehouse and Office - Lunch Room

Enclosed is (1) new label for the Manual; (2) Project Scope Reports to be inserted in the book in Section I, Project Scope Report; and (3) one page to be inserted in Section 8, Buildings.
