...have three bedrooms or more. People are demanding extra baths and bedrooms, and are taking advantage of the latest innovations and conveniences now available," he said.

"Much of this increasing interest has been created through efforts of the better housing program, which is picturing advantages of home ownership in San Diego.

"All departments of the Whiting-Mead Co. are busy filling orders and planning to take care of this

BASS-HUETER PAINT

New life for weathered outdoor furniture

Porch and garden furniture can be made to look as fresh as spring itself with Lustrelac Quick-Drying Enamel. Its gay colors are as washable as glass and its durable finish stands up well under exposure. This modern high gloss enamel is easy to use—it flows on smoothly and dries quickly. Use it on both wood and metal.
