Al Pozefsky - GE

3/19/74

Question - where Phase 1 might

- Work overseas - Japan.
  attitude to phthalate ester
  whether MITI will accept under Toxic Subst.
  - neg. publicity on phthalate ester

If run into problem with EPA - bring
  lab program along.

Propose

Reinstate Phase 1. - thinks Luke Hart will agree.

Pull out old phase 1.

Thinks may go into phase 2 - depends on
soon - may already be EPA.
in it with 1238.
