Dr. D. D. Letham,
Physician,
Department of Public Health,
57 Murray Street,
PERTH, N.S.W.

Dear Dr. Letham,

SUBJECT: Midget-Impinger - Asbestos

I wish to advise you that the Midget-Impinger which we use was obtained from M. S. A. of America - Catalogue No. CT14502. The workings of this instrument are well described in "Industrial Dust" by Drinker and Hatch.

If there are any subsequent points which you want answered please let me know.

Yours faithfully,

ALAN BELL
Director,
Division of Occupational Health.
