January 4, 1944.

Dr. Leroy U. Gardner,
The Saranac Laboratory,
Saranac Lake, N. Y.

Dear Dr. Gardner:

In anticipation of a follow-up from Mr. Mushleck of Keasbey & Mattison, I am writing to inquire as to the status of the final report on the asbestos dust experiments. In your letter of June 9th, commenting upon some remarks by Dr. Francis, you stated that in no event could you "promise anything before January, 1944".

With kindest regards, I am

Sincerely yours,

Vandiver Brown,
Secretary.
