Dear Vice-President,

On behalf of AmCham EU I would like to share with you a letter that our members have drafted with concerns on the ongoing discussion on PFAS restriction and potential impacts for trade, investments and the competitiveness of Europe. Our membership would be very happy to discuss this file and avenues for cooperation to find solutions with members of your team. Thank you in advance for considering our concerns.

Should you have any questions or need any additional information, please do not hesitate to contact me or my colleague [REDACTED] in cc.

Best Regards,
