Mr. J. R. Mitchell
Continental Plastic Containers, Inc.
2425 Touhy Avenue
Elk Grove Village, IL 60007

Dear Mr. Mitchell:

This will confirm our discussion relating to PCBs in Monsanto's hydraulic fluid sold as Pydraul® 50E. Pydraul® 50E is a phosphate ester based fluid. No PCBs were used as ingredients in its formulation.

I hope this information is helpful. If I can be of further service, please let me know.

Sincerely,

W. B. Papageorge /dg
