Dear David:

Enclosed for your information is a copy of the document I have regarding the Indiana Statute of Respose for toxic tort-disease cases involving asbestos.

As I indicated, we are very concerned that this "statute of limitations" will be removed for all toxic tort cases and make it open season on chemical exposure forever.

Please let me know if you have any questions and I'll put you in touch with the appropriate counsel.

Regards.

Sincerely yours,

John H. Craddock, Ph.D.
